Schools & Social Justice Education

FREE WEBINAR | WED. SEP 9th 3:30-5:30PM

WHO | Primarily for school principals, directors, educators and those working in education adjacent settings

WHAT | This webinar shares outlines for social justice education in school settings (K-12), specifically around anti-racism. At this critical juncture in our nation's history, we have the opportunity to re-envision what our educational systems look like. Social justice education goes beyond implementing a few tokenized lessons on racism—learn about models for social justice education and how your school can work toward racial justice.
